SaskTel

PARTNERSHIP FOR EXCELLENCE – 2026/2027

Objectives and Performance Review: In-scope Employees

The Partnership for Excellence (PFE) process links the Strategic Plan to individual objectives and behaviours, making it clear how each employee contributes to SaskTel's success.

1. General Information

Employee Name:	Length of time of Present Job:
Job Title:	Employee ID:
Appraisal Period: **April 1, 2026 – March 31, 2027**	

We have an enhanced our focus on evaluating performance at SaskTel based on **how** we complete **what** we work on. Our Foundational Values, Cultural Values and Behaviours, and Leadership Objective outline **how** we behave. The Business Objectives cover **what** we need to accomplish. **These have equal weighting.**

2. Values - 50%

A. Foundational Values

Foundational Values are required of every employee, regardless of their position. *Click the links below or go to The Source for descriptions of our Foundational Values.*

	Comments:	Mark appropriate box:
Honesty		☐ Demonstrates
Integrity		☐ Inconsistent
Respect	*If marked Inconsistent, manager must provide comments	

B. Cultural Values and Behaviours

Cultural Values and Behaviours outline the specific expectations of all employees. *Click the links below or go to The Source for descriptions of our Cultural Values and Behaviours.*

OneSaskTel Team: We support each other as OneSaskTel team. Knowing that our success is not achieved alone, we work collaboratively and make decisions across boundaries in the best interests of SaskTel, our customers, our communities, and each other.

Think Big	**Innovation** We seek new ways to generate value. We challenge each other to innovate through continuous learning and thinking creatively.
	Courage We drive new ideas that push the boundaries for how we operate and serve our customers. We are open to change. We have the courage and persistence to succeed.
Make a Difference	**Commitment** We seek out people who take personal accountability and pride in their daily work. We value insights and perspectives of all members of the SaskTel team. Each team member plays a critical role in our success.
	Community We are proud to be relied upon by our customers, the communities we serve, and the Province of Saskatchewan. We make a positive impact through our professional and personal contributions.
	Simplicity We add value by making the complex simple.

Focus on Experiences	**Agility** We embrace rapid advances in technology and the evolving needs of our customers. We adapt our approach and services to deliver the best possible results. We aim to be flexible and nimble to our customer's demands.

Objective: To consistently demonstrate the six cultural behaviours while actively contributing to the OneSaskTel Team philosophy, through daily actions and decisions.

Employee Results:

Immediate Manager's Comments:

☐ Exceptional	☐ Exceed	☐ Effective	☐ Inconsistent	☐ Unacceptable

3. Business Objectives – 50%

Every employee contributes to the outcomes of the SaskTel Strategic Plan. Individual Business Objectives should align with one or more strategic goals or corporate initiatives, but it's not necessary to address each goal. Objectives must align to the employee's role and emphasize measurable outcomes that support the organization's goals. Manager comments are recommended for each objective and mandatory if objectives are marked inconsistent or unacceptable.

CONFIDENTIALITY AND PROTECTION CHECKLIST

Confidential, proprietary and/or employee information may be used only in the conduct of business by authorized personnel and accessed by or disclosed to only those who "need to know" or as prescribed by law and SaskTel policies and procedures. Unauthorized accessing, personal use or disclosure of customer, competitor, employee or corporate information will be subject to disciplinary action, up to and including dismissal.

I confirm that I, **insert employee name**, am aware of my responsibilities related to:	
Yes ☐	SaskTel's Code of Business Conduct and, in particular the sections on: ***Handling Company Information*** which addresses such matters as the confidentiality of proprietary information and corporate records, including information about SaskTel employees. ***Conflict of Interest Policy*** which states that SaskTel employees must avoid being in conflict-of-interest situations by being mindful to not use their positions to influence Company processes for personal benefit or to benefit family members, friends, or others. Employees are obligated to report any actual, potential, or perceived conflict of interest situation in which they may be involved to the Conflict-of-Interest Committee.
Yes ☐	SaskTel's Privacy Policy – Treatment of Personal Information Our obligation to ensure the protection of the personal information of employees and customers in accordance with SaskTel's privacy management principles and practices derived from *The Freedom of Information and Protection of Privacy Act*, and the *Canadian Standards Association (CSA) Model Code for the Protection of Personal Information*. SaskTel's General Tariff – Terms of Service – Item 69 and other corporate policies and procedures specifically pertaining to the confidentiality and privacy of customer information. Apart from a customer's name, address and telephone number (if published), all other information which SaskTel has about a customer is confidential. The Terms of Service apply to information about business and residential subscribers as well as information, material and data about competitors which is obtained as a result of the competitor being a SaskTel customer.
Yes ☐	Information Security Policy Protecting SaskTel's information assets by following all security policies, standards, and guidelines; safeguarding information assets; using systems, applications, equipment, and facilities responsibly; promptly reporting any suspected or actual security incidents and completing all mandatory security training.
Yes ☐	The Master Agreement for Local Interconnection (MALI) Agreement outlines the agreement related to the protection of confidential information obtained by SaskTel as a result of the competitor being a customer of SaskTel.
